- (e) A certified entity may present written arguments and any relevant documentation as to why suspension or revocation of certification is not warranted.
- (f) When a new entity is certified as a state's program, the previously certified entity must take certain actions to complete the transition to the new entity.
- (g) Certified programs must require an applicant to provide verification that the applicant is deafblind.
- (h) Certified programs must require an applicant to provide verification that the applicant meets the income eligibility requirement.
- (i) Certified programs must re-verify the income and disability eligibility of an equipment recipient under certain circumstances.
- (j) Certified programs must permit the transfer of an equipment recipient's account when the recipient relocates to another state.
- (k) Certified programs must include an attestation on consumer application forms.
- (l) Certified programs must conduct annual audits and submit to Commission-directed audits.
- (m) Certified programs must document compliance with NDBEDP requirements, provide such documentation to the Commission upon request, and retain such records for at least five years.
